COMMUNITY CAMPAIGN 2024-2025

The United Way of Lincoln County campaign is a community-wide effort that raises local dollars through workplace giving, individual donations, community grants, and foundation support. Partnering with corporations, county and city government, the school system, small businesses, and local industries, we unite the community around one goal—neighbors caring for neighbors.

All funds raised stay right here in Lincoln County to support programs and services that meet critical needs and bridge gaps for individuals and families. An Allocations Committee, made up of community volunteers and board members, carefully reviews and distributes funding to ensure every dollar makes the greatest local impact.

Our expenditures are divided into Program Investments, General Expenses, and Fundraising Expenses. The majority of funds go directly into Program Investments, helping support partner agencies and community outreach initiatives.

Revenue comes from Employee Workplace Gifts, Corporate Gifts, Community Donors, and Other Support and Revenue. Nearly 80% of all revenue is generated through Employee Workplace and Corporate Gifts—showing the incredible generosity of our local businesses and workforce.

This information reflects our financial year April 2024 – March 2025, demonstrating how every contribution works together to build a stronger Lincoln County.
